What Is the reward cycle? The cycle over which the qualifications are tracked for rewards is the last day of the previous month through the second last day of the current month. For example, the January cycle is December 31 through January 30. This is the time frame that the debit transactions and ACH debit or bill pay need to post on the your account.

How will the rewards post? ATM fee refunds will post on the last day of the month. If you have a Saver account, rewards will post to Saver. Interest will post on the 1st of the month.
